Shawn,

It's Colonel day. I called Col Robertson's Office to set up a COE/EPA meeting regarding Buffalo Mt. He was not available to speak to me. His administrative assistant scheduled a May 10 phone call so that he and I can discuss coordination.

In the mean time, Jeff Lapp called the Colonel's staff, Ginger Mullins. She was not available. Jeff left her a detailed voice mail and made it clear that we would like to meet to discuss Buffalo issues .

I will let you know when we make a real connection .
